To the Board of Home Missions of the Presbyterian Church —

Gentlemen,

In giving our Report for the past year, we have special cause for thanksgiving; and yet must speak with saddened heart, ~~must speak~~ first of the chastening hand of God upon our Eye. Comm — In His mysterious Providence, He has taken from us ~~our head~~, our devoted and efficient President, Mrs. Ashbel Green — She died Aug. 17th 1885 — and again on March 3rd 1886, Mrs. R. H. Allen, the beloved Secretary of our Freedmen's department was also called ~~up higher~~ — Such events

deeply impress upon us who
remain the duty of occupying more fully till
He come — while we praise His
name for the lives He made
so useful —

The Lord is caring in wonder-
ful measure for the work
committed to our charge — above
all adding as a seal to the min-
istry of your Home-Mission Schools,
the manifested power of the Holy
Spirit. From Alaska, the Indian
Territory, New-Mexico, Utah, Idaho,
and the South, we hear of additions,
more numerous than ever before,
to the churches — Rev. Geo. W. Martin,
Supt. Missionary in Utah gives
account of a series of nearly
ninety meetings, many of them
very fully attended — He writes "In
these meetings, the preparatory work

done by the Mission Schools ap-
-pears. Pupils of our training were
found asking the way of life -
Parents and other friends were reached
through them."

All the Synods of the Church
have now appointed Women's Synl
Com^tees of Home-Missions - a list
of their members - two or more
usually in each Presbytery is
herewith presented - The Officers
of these Com^tees are, ex officio, mem-
-bers of the Woman's Exe. Com^tee
and thus the women of the
Presbyterian Church, in their work
for Home Missions are held togethe
in one organization - with Head-
quarters in New-York city, and
stand ready for whatever work
in and for this country, which the
Lord brings to them, through the Board

of Home-Missions, and that for Freedmen —

The Cash receipts ~~during the year~~ including Balance $359.07 in Treasury year ending March 31st 1886 — were $176-269.83

Value of Boxes — as reported — 44.449.56

Total — $210.719.39

The debt of $29.501.01, which clouded our report of a year ago, has been cleared away — the most of it by specified contributions —

The advance in addition to payment of the debt has been $

The Treasurer's Report gives the details — in regard to above statement —

"The Lord has indeed done great things for us — whereof we are glad"; and "to His name be all the glory"

We have printed and circula-
-ted largely during the past
year nearly 110.000 Circulars
and other Leaflets — ~~and received~~
~~no payments for reprints from them~~
~~this~~.

More public meetings in the
interest of Home Missions have been
held than ever before —

It has been, and will be our
endeavor to have our Sunday
Schools brought into more system-
-atic effort for mission-work in
our own country —

As information has been spread
we learn of great increase of interest
in the evangelization of our land —
and believe your Board will be sus-
-tained in putting up new Buildings
and otherwise enlarging the work

of your School department—
There are now organized
